I hereby grant the UKBFF, Kevin Horton and any other official UKBFF photographers permission to photograph me. I further give my irrevocable consent to the UKBFF and Kevin Horton to publish, republish or otherwise transmit the images of myself in any medium for all purposes throughout the world. I understand that the images may be altered or modified in any manner. I hereby waive any right that I may have to inspect and approve a finished product or the copy that may be used in connection with an image that the UKBFF has taken of me. To the use to which it may be applied I further release the UKBFF from any claims for remuneration associated with any form of damage, foreseen, associated with the use of the images.

By purchasing the photo package you agree to the above and fully understand that we do not issue refunds for intangibles. The cost of the service covers taking the photos and the use of our intellectual property. Therefore no refunds will be issued.

The photo package consists of stage images for personal use in JPEG format. No commercial use is permitted without permission from the UKBFF. You will be legally responsible if they are used for commercial purpose without the UKBFF's permission. The number of images you receive will depend on what is practically possible during your time on stage and will depend on factors such as time on stage, class size, stage lighting, your stage presence and the callouts. You will receive your images in digital jpeg format via Dropbox or a similar transfer in a timely manner. Please allow up to 14 working days. You will need an email address, computer and adequate WiFi speed to download your images. You will have 14 days to download / back up your images before they will be deleted from the server. If you then require the images to be uploaded again after the 14 days have expired you will incur a £20 admin fee. The email/link can end up in spam/junk folders so please check these folders before emailing and stating you have not received your images. We do not issue refunds for intangibles, you are paying for my service of taking the photos and the use of my intellectual property therefore no refunds will be issued under any circumstances.
